Serving Our Neighbor International Accredited by National Financial Accountability Organization

We are excited to share this news with all of you!

The ECFA (Evangelical Council for Financial Accountability) announced today the accreditation of Serving Our Neighbor International of Fowlerville, MI. ECFA accreditation is based on the ECFA Seven Standards of Responsible Stewardship™, including financial accountability, transparency, sound board governance and ethical fundraising.

When an organization is accredited by ECFA, it demonstrates its willingness to follow the model of biblical accountability.

“We are pleased to accredit a ministry committed to share the love of Jesus and advance God’s kingdom,” said Dan Busby, president of ECFA. Founded in 2003, Serving Our Neighbor International fulfills their mission by serving their neighbors with water and community development projects.

Today in the Morogoro Workshop we are repairing and painting the filter molds so you can provide more filters to Tanzanian families! Today the Dodoma team is learning about documentation & record keeping. Last week they were conducting WASH education for preschool students in Makulu.

Here are a few Morogoro families that have recently received their filters because of your willingness to Serve Your Neighbor.
